

Aquis expands portfolio and opens first hotel in Rhodes

Thursday, May 13, 2010

Aquis Hotels and Resorts has added two new hotels to its growing presence in Greece - the 236-room **Arina Sand** (Kokkini Hani-Crete), 175- bungalows **Miramare Wonderland** (ixia-Rhodes). The two new hotels join Aquis's existing portfolio of 13 hotels in Greece, located in Corfu, Crete and Kos, further establishing the brand's position as one of the country's fastest expanding hotel chains with 15 properties in 20 months.

"We are thrilled with the new additions to the Aquis Hotels and Resorts family. We are very excited to open this Aquis Miramare Wonderland in Rhodes as a new destination for Aquis Hotels and Resorts. Rhodes significantly reinforces our presence in what is a key destination for our brand." said Marketing Manager **Rania Deimezi**.

Aquis Arina Sand Hotel located in a superb beachfront location and spread out in 10 acres of beautiful gardens. It has been designed with the emphasis on relaxation and fun, providing excellent facilities for the whole family and it is only 12 km from Heraklion city with easy access to the main points of historic interest.

Aquis Arina Sand Hotel offers great conference facilities, which are exceptionally designed with outstanding audiovisual, communication and exhibition services. The Conference Center consists of 1,850 m² conference facilities in 9 multi-function meeting rooms accommodating groups of 100 – 1,000 delegates.

Aquis Miramare Wonderland

Aquis Miramare Wonderland in Rhode Island is a unique deluxe 5 star super waterfront resort providing 175 superb bungalows and suites as well as a number of superb facilities. It is located on the beach of Ixia, on Rhodes north-west coast, 20 minutes from the Rhodes airport and 15 minutes from the renowned medieval town of Rhodes.

Unlike any other Greek resort it was conceived and built as a small community of single and two-storey buildings nestled along its private 1,5 Km long beach. Paths meander through 70.000 scented gardens a sparkling seafront pool, and artificial lagoon and the Miramare train replica of the 19th century running on 3.5 Km proper tracks, serving to transfer guests to their units.
